**STEWARDSHIP BY THE BOOK**

*Elijah recognized the voice of God not in the strong*  
*and heavy wind, not in the earthquake, and not in the*  
*fire, but in a tiny whispering sound. May we find*  
*enough quiet in our clamorous world to hear His voice*  
*and discern what He is calling us to do and be.*

*this point, \$17,770.00 has been pledged. Please*  
*consider making some type of pledge to help support*  
*this important work of the Church in southern*  
*Missouri. If you need a pledge card, additional copies*  
*are available in the Parish Office.*

**FAMILY PRAYER**

*Does your family pray together in your home, especially at night before bedtime? It seems families need to be praying together now more than ever! Consider this: As a family, pray the "Our Father" TOGETHER before going to bed. Then the parents can go to each child individually and pray the "Hail Mary" with him/her. This doesn't take a lot of time to do! As parents, it is a blessing to pray with your children together as a family and individually. The example you give as parents will last a lifetime!*

**FRONT DOOR**

*Just a request - if you are the last one out of the church after Mass and the front door is still open, please take the time to close it. It would be appreciated!!*

**RECESSIONAL HYMN**

*Our recessional hymn for the weekend Masses will be printed on a sheet of paper and available on a table at the entrances of the church. If you would like to join in singing the recessional hymn, please pick up a copy on your way into church. When you leave the church, please THROW THE SHEET IN THE TRASHCAN since they should not be reused. Thanks!*

**REMINDER REGARDING HOLY COMMUNION**

*Just a reminder that if you choose to receive Holy Communion in the hand as well as wear a mask when coming forward for Holy Communion, you are asked to remove/pull down your mask immediately BEFORE having the Sacred Host placed in your hand. In doing so in this manner, you can still reverently, carefully, and respectfully place the Holy Eucharist on your tongue in the proper way without having to worry about the mask. After you place the Sacred Host on your tongue, you may return/pull up the mask to its proper position. Also, if you receive Holy Communion in the hand, please make sure that the hand you use to receive the Sacred Host is extended properly and in an open FLAT position so that the Host can be safely placed in the palm of your hand. Please do not "cup" your hands together. This makes it difficult to place the Host in your hand without making contact. Your consideration in this matter is appreciated! Thanks!*

**SEATING IN CHURCH**

*Please note that the tape blocking off some of the pews in the church has been removed. You are asked to use prudence and common sense in practicing social distancing when seated in the pews for Mass. Thanks for your consideration in this matter for everyone's health and welfare!*

**SPIRITUAL "FOOD FOR THOUGHT"**

*Instead of judging people who have been broken by their past, why not stand by them and help repair their future?*

*The devil wouldn't be attacking you so hard if there weren't something valuable inside of you! Thieves don't break into empty houses!*

*Jesus humbled Himself and washed the feet of Judas even though He knew he would betray Him. If that's not the best example of showing unconditional love to others, what is?*

*Strive for purity! Our world doesn't need BIRTH control - it needs SELF control!  
True love never sees any inconveniences!*

**THANK YOU**

*Heartfelt thanks from the family of Charles Alfred Telker to Father David for the beautiful service, to all who prepared and served the meal and everyone who helped in so many ways to make his passing a little easier. God bless you all!*
