An envelope for this effort is included in your regular offering envelopes. If you do not have envelopes and would like to make a donation, please enclose it in an envelope marked "Religious Retirement Fund" OR make the proper notation on your check. A flier is also included in today's bulletin with more information about this appeal. May God bless you for your generosity!

For more information, please see the flier posted on the bulletin board in the church vestibule. Don't miss this opportunity to strengthen your family life and Christian values!

SACRILEGIOUS MOVIE

HBO has produced a movie titled "Unpregnant". It is classified as a "comedy" relating to the issue of abortion. An editorial regarding this movie was printed in the September 3 edition of USA TODAY. The title of the editorial is "Hey HBO, Abortion Isn't A Joke". If you subscribe to HBO, contact the company and let them know that you find this film offensive or consider cancelling your subscription. In this film, "comedy" is used to mask the loss of innocent life that accompanies every abortion. There is nothing "comical" about the intentional murder of an innocent life in the womb. It seems that our society is sinking lower all the time, especially in the world of entertainment.
